TOWN MEETING

4/20/15

A special noon-time Town Meeting was called by Frank to discuss a needed schedule change to accommodate the superintendent's visit this week.

Motions

· Frank announced that the superintendent would not be able to come to HB on Thursday, as originally planned, but would come on Wednesday, instead. (Dr. Murphy is coming to HB to announce the name of our next principal). Because of this change, Frank made a motion to change Tuesday's schedule to A-C-D-lunch-E-F-G-H and Wednesday's schedule to A-B-C-lunch-E-F-TA-H, effectively switching TA and Wednesday's G block.

o Kris said that she had a calculus test running tomorrow from 8:30 - noon and another starting at D block, so if the new schedule were to be adopted she would need a second room and a teacher to proctor.

o Eleanor said Kris could use her room, and Frank said he would find a proctor.

o Eleanor said the cupcake map of the world event had been scheduled for E & F and would now have to use F & G instead and asked for help in disseminating that information.

o Frank said he would get the word out.

o **Motion passed** with one dissenting vote.
