Can change people’s schedules, maybe should raise more awareness? 7 8:20s classes right now: BC, Psych, PE, Stat, Spanish, Econ, ?

Leadership from leadership class?

Purging? Philosophical questions as well. It's okay for traditions to change. New ones to be made.

Honor class of 2019!!!! New middle-schoolers who come should be just as respected, same program even if location changes. Some students will stay in this building and leave the program. Vagueness is okay, it will be painful. Is there a committee addressing the fire station? It's already up right now. Monthly visits? Walls are almost out of the ground. No sweat funding for hard hats? HB graduate 1999 who will be a firefighter. Can we get a webcam? *Yes.*
