Lee Hwy Revitalization Committee: Taylor, former HB alumni here to speak. Interested in urban planning, why are the streets the way they are etc.? Big project happening on Lee highway, Arlington gov. Trying to listen to community about whether there should be bike lanes and such. Encourage coming to public meetings, flyers with details on them. If you have any questions feel free to ask. Urban planning very important and

Lee Highway is equally as important, can influence the decisions made about it. Crossing to get to Lee Heights over Lee Highway not as safe, can help change that. Board members love younger students to come out and be committed to these causes.
