## Town Meeting

12/03/19

Chair: Ethan E.

Co-chair: Henry

Secretary: Alessandra

### **Precursors:**

SAB: this Thursday, principals meeting,  
report next week

HIVE: Fab Fest, sign up due past Sunday,  
45 groups sign up, some teacher sponsor  
conflicts, this Friday deadline for teacher  
sponsor sign up, new form for official  
blurbs for fab fest, lesson planning meeting  
sometime next week (J-Go?)

Staff Meeting: next week

Class Meetings: 8th grade met to create  
float and win trophy for turkey bowl

1601 Wilson Blvd  
Arlington, VA 22209  
United States

## **Announcements:**

Library new books and printing: field trip tomorrow, WL @ 8:30am tomorrow, more books coming in, student projects need a lot of printing, printing available in the library, printer is a bit fragile, be careful, books checked out for 3 weeks, can be renewed, be responsible, don't renew or keep book for whole year

Lost and Found: outside Graham's office and clinic, lots of stuff, send your friends with missing things there

H-B Science Fair: Week from Thursday in the evening, all 7th and 8th graders, a few highschoolers, looking for a few more judges, send people you know Anuraag's way

## **Motions:**

1601 Wilson Blvd  
Arlington, VA 22209  
United States

Basketball club: monday afternoon  
4:15-5:15, boys or girls, mainly to play  
basketball, gram could coach, mainly for  
playing with friends, late bus that day.

PASSES

Volleyball special schedule: last day before  
winter break (December 20), cancel G and  
H for volleyball tourney at 2 PM. Worry  
about running late, been G and H for last  
two years. After an hour with most activity  
blocks, things start to slow. AP science  
volleyball games in past years, idea would  
be that this would happen during E block.

PASSES

Film Club: Kathleen sponsoring, film room,  
thursday I block, first 30mins for movie,  
last 10 mins for discussion. PASSES

**Discussions:**

New courses: Interest for students with Comp-sci classes for course that would extend learning beyond what is available. Good time to bring this up, changes need to be submitted before winter break. AP Computer Science. Discussion needed for trajectory for comp-sci department, another course between AP Computer Science and Computer Science, considering middle schoolers taking similar middle school comp-sci course to high school intro course. AP Comp-Sci is python and Scratch. More languages out there. More offering would only be beneficial if offered in the right way. Possible that AP Comp-Science class has evolved, A and B component. Off campus options only offered right now. Comp Science offered in part A, second part not offered at HB and more pseudo coding.

1601 Wilson Blvd  
Arlington, VA 22209  
United States

Caleb tried to take at Career Center, was full. 23 Students in AP Comp-Sci and reg Comp-Sci full as well. Leadership on stem meeting committee? Only part time comp-sci teachers. Shouldn't have to rely on career center as a continuation, should remain an alternative.
