across Wilson. Halloween Committee meeting in Dave's room Thursday at lunch. Publicity very critical, people not at town meeting don't know about it. Rude to say to neighbors, "give us candy." Reverse trick-or-treating. Costume contest loved by Casey. End with costume contest with everyone united. Neighbors did invite us for Halloween. MOTION PASSES

Motion to Adjourn: PASSES

Discussions:

Activities around Halloween on Halloween. Possible proposal to move activity block to Thursday instead of Tuesday. Already agreed to switch Tuesday and Thursday last week. Voted on last week. Currently one block for Halloween Activities. Last

moment we can add additional block for Halloween. Many in junior class have brainstormed ideas. John says there should be more than one block allotted for Halloween. Bring back haunted house.

Terraces and atrium steps purchases: Picnic blankets or tarps (carpet) more appealing for some and possibly more comfortable. Shade is the primary need (urgent). Anchoring umbrellas. Hammocks, multi-person swings, hanging chairs (too one person?), Dave's TA feedback. Stuff like that may not last very long. Lawn furniture made out of solid plastic, very durable, not too much work. Lots of wind could cause problems with the umbrellas. Too cold or windy to hang outside, only the second
