Discussions:

- **HIVE Activities** - Jennifer
 - Carly: Feedback on Trivia & Bingo Night?? Other after school activity ideas??

- Jennifer: When could these happen? One event a month. Whole-school events that could include families as well.
- Leo: Q: Through Teams, not in-person? A: Correct.
- Eleanor: Trivia in classes and with her family is successful and fun!
- Jennifer: Trivia Night - one idea; Bingo Night - 2nd idea; Open Mic Storytelling - 3rd idea. Dates: Wednesday nights? 12/9; 1/13? Which of these do we like the most? What time?
- Casey: Great idea! 12/9 is the APS HS Info Night. Would love to hear from students... Would you attend? These events require effort. Thank you to HIVE for coordinating.
- Leo: Nothing on the HBW Calendar for these dates. Activities are a great idea. The length of the activity is an important consideration.
- Vanessa: Q: How long does a virtual Bingo game last?
- Eleanor A: generally 10 minutes. 30-45 minutes is a nice window of time for an activity evening
- Vanessa: Q: Any interest in having a tally, such as between classes, so that there may be a 'winner' in the end.
- Ellen: This would be a good time for people to gather.
- Jennifer: Q: Game Night with different channels, or have one game per evening?
- Eleanor: A series of events seems better than doing it all at once.

- Carolyn: Our senior class meeting offered options which seemed nice to have those options.
- Chat thread: Among Us
- HIVE Activity #2 - HBW Spork Talks: Speakers on their cool jobs!
 - Graham: Great idea!
 - Mary-Edith: Great idea!

Motion to adjourn at 2:49 by Leo H. Seconded by Jennifer.
